

ABOUT ME

I am a dedicated and passionate computer science graduate from Tshwane University of Technology (TUT), where I pursued my studies from 2021. During my time at TUT, I developed a strong foundation in various areas of computer science, including programming, software development, web development, and data analysis.

WORK EXPERIENCE

MATOME

MONYOBODI

Pretoria
Apr 2023 - Sep 2023

Guest Tutor

Institution: Tshwane University of Technology
Duration: April 2023 – September 2023
Subject Taught: Web Development

Key Responsibilities:

Conducted one-on-one and group tutoring sessions for students, focusing on Web Development concepts, including HTML, CSS, JavaScript, and backend technologies. Developed and implemented lesson plans tailored to individual student needs, ensuring a deep understanding of web development principles. Assisted students with project work, helping them to design, develop, and debug web applications. Provided guidance on best practices in coding, web design, and user experience. Assessed student progress through quizzes, assignments, and regular feedback sessions. Facilitated exam preparation by reviewing key topics and offering tips for effective studying. Skills Developed:

Enhanced ability to explain technical concepts in an easy-to-understand manner. Strengthened communication and interpersonal skills through regular interaction with students. Improved problem-solving abilities by addressing diverse coding challenges faced by students. Developed organizational skills by managing multiple tutoring sessions and student needs. Gained experience in adapting teaching methods to accommodate different learning styles.

EDUCATION
